

OUTING BOOKING FORM

Cotswold Wildlife Park – Sun. 9th September - £25

Enjoy a rich diversity of plants and animals from around the globe in a delightful rural setting near Burford in Oxfordshire. Exotic gardens play host to the animal collections throughout the picturesque 150 acres extending around the Regency Gothic manor house. Imagine having rhinos on your front lawn!

Towering Bananas, Bamboo, Tree ferns and Palms form the backbone of the celebrated 'Exotic' plantings. During summer and autumn an extensive range of tender and flowering plants enhance the scene, including Giant Victoria Water lily in the open air. Cactus and succulents inhabit the arid beds around the meerkats. Sloths, tropical birds and Fruit Bats reside in richly planted Tropical House. Extensive swaths of grasses form a savannah-like background to rhinos, zebras and giraffes. There is year round horticultural interest but the planting reaches its dramatic climax in September.

Facilities include a restaurant, a self-service café, or you can bring your own picnic. There's also a narrow gauge railway (fare £1) which runs around the park.
